As the name suggests,
Open Library features a
library with books from
the Internet Archive
and lists them in the
open library. Being an
open source project
the library catalog is
editable helping to
create a web page for
any book published till
date. From here you
can download books
for free and even
contribute or correct.

Download Free 1992 2000 Clymer

The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author.
