A History Of Japan To

The history of Japan covers Japan and its relation to the world. It is characterized by isolationistic, semi-open and expansionistic periods. The very first human habitation in the Japanese archipelago has been traced to prehistoric times around 30,000 BC. The Jōmon period, named after its cord-marked pottery, was followed by the Yayoi in the first millennium BC when new technologies were introduced from continental Asia. During this period, the first known written reference to Japan was ...
