ABC Accreditation Standards HR.6 and HR.6.1 provide guidelines for the privileging process. Through privileging, non-certified/licensed personnel have the opportunity to participate in specific patient care services and certified/licensed personnel have the opportunity to provide specific patient care services that are outside of their independent scope of practice.

Maintaining Accreditation - ABC Home

The ABC's: Air, Brakes, Chain. Before every ride, be sure to check the "ABC's" to make your ride safer and help your bike last longer. A is for Air: Having properly inflated tires helps prevent flats. Check the sidewall of your tire for the recommended tire pressure.

Bike Maintenance: 101 Basics Guide | REI Co-op

A level of service that is currently appropriate, for example, is not a strength if it is more or less than will be needed in a year. A new program that's not ready to implement yet is not a weakness if it's unready because the developers are taking the time necessary to make it effective.
