Those who own an Acura MDX are faced with a bit of a good-news/bad-news situation. The good news is that Honda (Acura) makes some of the nicest interiors per dollar in the industry, and some of the best engines known to man. The bad news is that according to Sport Compact Car Magazine, the transmission is a case ...

Honda has long built nearly all of its own automobile transmissions, unlike many other automobile manufacturers which often source transmissions from external sources. The most notable exception was in 2014, when Honda decided to forgo an in-house designed transmission and chose the ZF 9HP transmission for their Acura TLX V6 model, later extending the offering of the ZF transmission to the ...
