I just purchased the

Where To Download Adcom Gfr 700hd User Guide

Adcom GFR-700 AV receiver to go with my Magnepan Q1.6's. I chose the Adcom because its rated at 220wpc RMS at 4ohm and 145wpc 8ohm in 2ch stereo mode and 120 wpcx5. I was a little leary about purchasing it because there are no professional reviews available despite the fact its been around for at least 9 months.
