Process of Public Policy. The process of public policy is a continuous one. There exists a constant need for verification and evaluation before the government can push a policy through. Some believe that the government only decides on public policy after a matter of months, but, in reality, public policy can take several years to enact.

### Public Policy - Definition, Examples, Cases, Processes

Unless business begins to aggressively defend both the free-enterprise system and the broader constitutional framework within which economic liberty thrives, socialism will triumph. And you can bet it won't be "democratic" socialism. Stanley Kurtz is a senior fellow at the Ethics and Public Policy Center.
