AT&T EL52300 | EL52350 Cordless Phone
OK, back to my review..I had an AT&T Dect 6.0 phone answering system prior to this one, so I had decided to purchase another one after the original one began to fail. Thankfully, the previous system lasted many years. When I received the new system, and installed it, there was static every time I picked up the handset to make or receive a call.
