Few really stand out as particularly unique or valuable, but one which does is "Babel: The Breaking of the Banks" by Jonathan Ruffer. In truth, it is not a book in the sense of a singular work, produced for publication at a particular time: rather, it is a collection of short, quarterly essays, originally produced for the clients of the eponymous investment house, Ruffer LLP, over the period 1998 - 2009.
