Baby Snakes (1979) - IMDb

Touted as "a movie about people who do stuff that is not normal," Frank Zappa's Baby Snakes chronicles a late-'70s Halloween stand in New York City (a zany enough proceeding in its own right) with digressions throughout the first half for backstage antics, band interviews, and some outlandish clay animation from Bruce Bickford, with whose work Zappa was obviously smitten. Onstage, Zappa is a live wire, the audience is appropriately rambunctious, and the band--an especially potent incarnation ...
