Be More Chill Ned Vizzini

Be More Chill by Ned Vizzini isn't worth your time. The characters are skeezy and one-note. Nothing about them stands out in the slightest. The book only gets mildly interesting in the 'post-squip' sections, which is roughly halfway through the book.

Be more chill is about high school junior, Jeremy Heere and how he, in his most fragile desperate teenage state, spent 600 dollars on a supercomputer called 'the SQUIP' that teaches him how to be cool.... or more appropriately chill. This book is the most over exaggerated high school cliché popularity satire I've ever had the pleasure of reading.
