The End of Old Age (January 16, 2018) By Marc E. Agronin MD. In The End of Old Age: Living a Longer, More Purposeful Life Dr. Agronin examines the way we talk about age and provides a new rubric for our conversations. Steering away from "Fountain of Youth" delusions, Dr. Agronin introduces two new topics: Age points, which "expose a gap between the challenges or demands of a life event and our existing strengths, values, skills, and connections...and make us into more developed and ...

The End of Old Age (January 16, 2018) - Marc Agronin MD

By Marc Agronin, MD One point I make in my book How We Age: A Doctor's Journey into the Heart of Growing Old (Da Capo Lifelong Books, 2011) is that there is no magic cure for aging - no pills, potions, or fountain-of-youth strategies that will restore our youth.
