In celebration of this shared value, let's take off the gloves and give Car Guys the unflinching look it deserves. Like almost everything that has ever issued from the mind of Robert Anthony Lutz, Car Guys vs Bean Counters is defined by his maximum maxim "often wrong, but never in doubt." As you might expect, this perspective produces writing that possesses many of the same strengths and weaknesses as the cars Lutz oversaw.

born success since 2009. It might seem that a book written by a businessman about how to turn around a business would have little to say about design.

### **Book Review: Car Guys vs. Bean Counters - Core77**

What would have made Car Guys vs. Bean Counters better? The radical right wing ranting of this book made it unbearable. I bought this book because I am interested in cars. I turned it off because the political ranting got to be too much. I can handle a little difference of opinion if it doesn't get in the way of a good book (P.J. O'Rourke), but ...
