First of all, you will need a firmware update disc from Vauxhall. This is available for about £5.50+VAT. The part number is 13294646. This disc is NOT the same as the map discs. It will not give you the latest maps for your CD70. For this you require a Navteq map disc - they are much more expensive from Vauxhall.

Not quite correct, as I've just done it with 2 different CD70's and displays. You need to Tech 2 it to your car if you want the trip computer and temperature functions to work. If the screen & CD70 weren't divorced from the donor car, you will never get these functions to work as Tech 2 can't get into it to marry it to the new car.
