Farm, Food, and Community ...

In his 2004 book, *Civic Agriculture: Reconnecting Farm, Food and Community* Lyson argues that in containing food production for a specific community to that community, one is further connecting the community so that it may be economically independent and socially unified. Lyson expounds on

Access Free Civic Agriculture Reconnecting Farm Food And Community Civil Society Series

his ideas, arguing that because of the interlocked relationship between the food economy and consumers, people have a civic duty to support important agricultural engagements.

Civic agriculture - Wikipedia

Thomas Lyson, a sociologist, coined the term “civic agriculture” in 1999 to

Access Free Civic Agriculture Reconnecting Farm Food And Community Civil Society Series

describe “the emergence and growth of community-based agriculture and food production activities that not only meet consumer demands for fresh, safe, and locally produced foods but create jobs, encourage entrepreneurship, and strengthen community identity” (Civic Agriculture: Reconnecting Farm, Food, and Community, University Press of New
