Classic Papers in Critical Care Classic Papers in Critical Care 2004-01-01 00:00:00 M Fink, M Hayes & Neil Soni, Eds. Bladon Medical Publishing, 2003, 580 pp, \$75.00 ISBN: 1-904218-21-0 I suppose that one means of establishing that a speciality has come of age is that it is able to claim ownership of a body of knowledge that is so substantive that it can have classic papers. Hence, in some ways, this volume is a landmark in the relatively short history of critical care.

Classic Papers in Critical Care, Nursing in Critical Care ...

This edition is a useful opportunity to update the previous edition. Only a few years have passed, and even in critical care there are not new classics for each section. Some potentially important papers have appeared, although it is probably too early to state whether they will stand the test of time, but they certainly look promising.

Classic Papers in Critical Care PDF - Arslan Library
