Art History Courses | Coursera

REVEL for Art: A Brief History, Sixth Edition balances formal analysis with contextual art history in order to engage a diverse student audience. By treating the visual arts as one component of a vibrant cultural landscape (which also includes politics, religion, economics, and more), authors Marilyn Stokstad and Michael Cothren, both scholars as well as teachers, help students recognize and appreciate the central role that art and architecture have played in human history.

Approaches to art history - Smarthistory

's Venus and Mars (c. 1485). Of course, some of the shock value has faded since it was filmed in 1972 (an episode unpacking the ways European artists represented female nudes is today a commonly discussed topic with a designated term: the "male gaze"), but the series still offers a valuable primer in how to look at art—and, more broadly, the myriad images we encounter each day in ...

10 Art History Classes You Can Take Online (for Free) - Artsy

The history of protest art is vast, and dense. In this brief overview, we're looking back at a selection of politically impactful artists of the last century to get inspired for artistic calls to action. From the Dadaists to Guerrilla Girls, here are the art movements and individuals that you should know about.

A Brief History of Protest Art - format.com

Art History degrees Art History degrees follow the evolution of art throughout history from various cultures, perspectives, and parts of the world. Art History studies, provided by international art schools, classify and try to unravel the meanings, encrypted messages, and the socio-political role works of art have played throughout history.
