following his completion of his research to actually publish Covenant of Blood, proves a thesis so sweeping and yet so simple that it is shocking that no one has breached the issue before him: Circumcision symbolizes a covenant between the males being circumcised and God. The practice thereby expresses the awkward (by today's standards) truth that in traditional rabbinical thought, Judaism, despite its matrilineal passage of ...

Hoffman examines the particular significance of circumcision blood, which, in addition to its salvific role, contrasted with menstrual blood to symbolize the gender dichotomy within the rabbinic system. His analysis of the Rabbis' views of circumcision and menstrual blood sheds light on the marginalization of women in rabbinic law.
