allegory on how death unites all people, regardless of age or social status. It was shown as a gruesome spectacle in which the Grim Reaper summons a host of dead spirits to dance along their graves. Popular figures in this dance were a pope, emperor, king, youngster and laborer, chosen to remind the audience of the time that death was a truly universal concept and no man (or woman) was safe from its embrace, it was also used ...

Danse Macabre, or Dance of Death, is an allegory that has been around since the 13th century to illustrate that regardless of one's station in life, death is universal and inevitable. It has been depicted in paintings, frescoes, plays and musical settings. It gained prominence in Europe following major events in the 14th century such as famine, war, and the Black Death.
