The third edition of Defining Music Therapy does not disappoint. Bruscia's voice is unmistakable in his reflections on music therapy, theory, research and practice, and (not surprisingly) language. As a senior theorist in our field, Bruscia cogently models reflexivity as he cycles back to earlier ideas and issues, revisiting them with contemporary eyes and drawing them into the present like threads through a tapestry.

E-Books - Music Therapy - Barcelona Publishers

Music and therapy are both difficult to define, and when fused together into a single discipline, many complications arise. This book takes an in-depth look at the unique problems of defining music within a therapeutic context, and defining therapy within a musical context. Over 40 definitions of music therapy are examined and compared.
