## Dennis Pagen Hang Gliding Manual

Dennis Pagen has long been a hang-gliding guru, but times move on. This is an updated version of an earlier work, but its age still shows through. The BHPA pilots manual is a more current work, and if it's the only traning manual you're going to buy, you should buy that, but Pagen's book complements it quite well offering the occasional useful bit of detail that the BHPA book misses.
