In Don't Worry, It Gets Worse, Nugent shares what it takes to make the awkward leap from undergrad to "mature and responsible adult that definitely never eats peanut butter straight from the jar and considers it a meal". From trying to find an apartment on the black hole otherwise known as Craigslist to the creative maneuvering needed to pay off student loans and still enjoy happy hour, Nugent documents the formative moments of being a twentysomething with a little bit of snark and a lot of ...
