machine is packed with a range of stitches and features. An ideal machine for those starting on their sewing journey and for everyday sewing. This machine will accompany you in all your projects day after day. 23 stitches Maximum

eXplore 240 - Elna - USA

Sewing machine manuals are considered a "part," or an essential piece of equipment to the machine. For those who know the make and model of the sewing machine, it's likely they'll be able to locate a manual. The first step is finding the machine's manufacturer and model number. Most machines have a manufacturer's name somewhere on the machine.
