Fools Frauds And Firebrands

Firebrands Thinkers

In *Fools, Frauds and Firebrands, Thinkers of the New Left*, philosopher Roger Scruton, one of the leading critics of leftist orientations in modern Western civilization, examines the thinkers who have been most influential on the attitudes of the New Left. What does the Left look like today, he asks, and how has it evolved?

**Firebrands: Thinkers
of the New Left ...**

In Fools, Frauds, and Firebrands, Roger Scruton offers an intellectual biography of the New Left and the Social Justice academic landscape. Though not exactly scathing, Fools offers more of a historical criticism than a critique. If not polemic, Fools wanders perilously close to being so, without stepping over the line.
