Freedom of Religion - HISTORY

Freedom of religion is considered by many people and most of the nations to be a fundamental human right. In a country with a state religion, freedom of religion is generally considered to mean that the government permits religious practices of other sects besides the state religion, and does not persecute believers in other faiths. Freedom of belief is different.

Freedom of religion - Wikipedia

What freedom from religion does mean, however, is the freedom from the rules and dogmas of other people's religious beliefs so that you can be free to follow the demands of your own conscience, whether they take a religious form or not. Thus, you have both freedom of religion and freedom from religion because they are two sides of the same coin.

The Freedom From Religion vs. Freedom of Religion Myth

The Bill of Rights guarantees that the government can never deprive people in the U.S. of certain fundamental rights including the right to freedom of religion and to free speech and the due process of law. Many federal and state laws give us additional rights, too. The Bill of Rights applies to young people as well as adults.
