### Growing In The Dark Adoption

Growing in the Dark: Adoption Secrecy and Its Consequences takes you through California’s early adoption laws, highlighting the passage of the original law that sealed records, and discusses the various consequences of this policy as they unfolded throughout the 20th century. To this day in California as in most states, adoptees are still unable to obtain their original birth certificates.

### Growing in the Dark: Adoption Secrecy and Its Consequences ...

Growing in the Dark is a capsule of adoption history from 1851 when Massachusetts passed the first adoption law to 2000 when Oregon’s Measure 58 came into effect. It’s chock full of information and very readable. Janine Baer, who was adopted in California, focuses on the California law enacted in 1935 sealing original birth certificates.
