Amazon.com: Help Your Kids with Math, New Edition ...

Help Your Kids with Math is designed to reduce the stress of studying math for both children and adults. Studying math is often a source of great anxiety for children and teenagers. It also proves troublesome for parents, as many are reminded of their own struggles with the subject and feel lost when trying to tackle it again years later in an effort to aid their offspring.

Help Your Kids with Math by Carol Vorderman

A popular way to help kids learn math is by engaging various senses. Teachers use sight, hearing, touch, and movement to help kids understand what numbers and symbols mean. (Teachers use this approach with reading and writing, too.) It can be hard for kids who struggle with math to use abstract thinking to do math problems.
