Homelessness And Allocations

Homelessness and Allocations, now in its ninth edition, has established itself as the definitive guide to the rights of the homeless. Written by leading experts, the text clearly and succinctly sets the law in its context, and appendices reproduce the relevant consolidated legislation and guidance.

Homelessness and Allocations by Andrew Arden

Homelessness and Allocations was first published after the Housing (Homeless Persons) Act 1977 brought new duties towards the homeless into force, since when it has recorded and analysed development of this area of the law, while Andrew Arden himself has contributed to, and helped to shape, its development acting in cases up to and including the highest courts from the earliest days of the new law to the present time.

Legal Action Group | Homelessness and Allocations 11th edn

Homelessness, its causes and possible solutions encompass serious and inevitably complex issues. This book therefore deals with homelessness in all its manifestations and forms which – in addition to the established criteria for homelessness – touch on related areas of law, such as asylum and immigration.
