### **Inequality And Prosperity Social Europe**

Long-standing debates have heated up in recent years with the expansion of the European Union and increasingly sharp political and cultural differences between the United States and Europe. In *Inequality and Prosperity*, Jonas Pontusson provides a comparative overview of the two major models of labor markets and welfare systems in the advanced industrial world: the "liberal capitalist" system of the United States and Britain and the "social market" capitalism of northern Europe.

## **Inequality and Prosperity: Social Europe vs Liberal ...**

Inequality and Prosperity has two aims. One is to delineate the ways in which affluent countries differ in their economic institutions and their labour market and social policies. The other is to use macro-comparative analysis to shed some light on the question of whether the pursuit of low inequality is compatible with a healthy economy.
