The story of South Asian religious life begins with the river Indus and its tributaries. The Indus was the center of the earliest complex urban culture of which we have evidence in the region, the Indus Valley or Harappan culture (ca. 2800-1500 B.C.E.) Some scholars postulate continuities between elements of the culture, such as possible ...

The Religions of South Asia | Asia Society

The other major religion found in Southeast Asia is Christianity. Catholicism, a branch of Christianity, came much later than the other religions. It was introduced with the arrival of the Spanish in the 1500's who colonized Indonesia. This country was ruled by the Spanish for 300 years which led to their religious conversion.
