It All Starts Small Father

My father has had medical issues most of my life. I have only brief memories of him being healthy and playing catch with me. My brother has none of these memories. Over the years, he has spent countless days in the hospital, either from yet another back surgery or from an illness that hits him hard (pneumonia is a favorite).

Father Poems. Father poems let dad know you care. Use these poems for father to express your appreciation on Father's Day. Life Lessons You may have thought I didn't see, Or that I hadn't heard, Life lessons that you taught to me, But I got every word. Perhaps you thought I missed it all, And that we'd grow apart. But Dad, I picked up everything. It's written on my heart.

Today I found out clownfish are all born males and the dominant male of a group will turn female when the female of that group dies.. Clownfish, also known as anemonefish, are sequential hermaphrodites that first develop into males. In fact, they live in regimented schools made up of all males and just one female- the lone female being the dominant and generally the largest fish in a given group.
