John Colter was a member of the Lewis and Clark Expedition. Though party to one of the more famous expeditions in history, Colter is best remembered for explorations he made during the winter of 1807-1808, when he became the first known person of European descent to enter the region which later became Yellowstone National Park and to see the Teton Mountain Range. Colter spent months alone in the wilderness and is widely considered to be the first known mountain man.

John Colter - Wikipedia

John Colter earned a reputation for his speed as a runner and having resourcefulness in the face of danger. The legend of "John Colter's Escape" was featured on a news reel with the following plot: While John was trapping in what is now Montana, he was captured by a marauding band of Blackfeet, who gave him a chance for his life by running the ...
