Kia Rio First Generation 2001

Kia Rio: First generation DC (2001-2005) The first-generation Kia Rio (referred to as the "DC") was offered in both four-door sedan and five-door hatchback body styles. When released, it was the least-expensive mass-produced car to be sold in the United States. While the Rio's styling and affordability were well-received, it was derided for its poor build quality and driving experience.
