Adwest Land Rover steering box leak

Think I paid £200 for it second hand, but new they are ~£500, so a bit of a bargain. Drives really nicely now, more like a smaller car with less turns lock to lock. With a power steering pump tweak the steering weight has been made lighter than stock (clearly a quicker box will weight up the steering normally).

Steering box started leaking, best ... - The Land Rover Forum

LandyZone is the biggest Land Rover forum on the net. How to top up oil in steering box and adjust? | LandyZone ...

Hi I have a couple of questions about the steering box on my defender (its a non PAS type). Firstly, its leaking fluid from around the drop arm, can it be rebuilt with new seals (i know you can get seal kits for the PAS boxes but haven't seen anything for manual ones).

Steering box questions. | LandyZone - Land Rover Forum

The bolt that holds the retaining clip on the power steering box is supposed to be tightened to 16 lbf.-ft., which is not very tight. That's 16 lbs. of force at 1 ft. from the bolt so a 3/8" ratchet snugged up should be fine. The o-rings do the sealing, not the retainer so the tightness of that bolt is more about keeping the lines on the box.
