Lingua Latina: A College Companion based on Hans Ørberg's ...

The text is written such that students intuitively come to a mastery of the language, but sometimes they need to know the grammatical "why" behind the language. This is especially necessary in a classroom where grammar was glossed over, or has been poorly retained by the students (which is more commonplace than many realize). This companion offers clear, direct explanations of every grammatical concept introduced in the text, and is supplemented with examples from the text.
