London Falling Shadow Police Series Book 1

The Shadow Police, Rivers of London and Alex Verus stands out in that crowd to me, maybe because I am European (Swedish in fact) and prefer London to Chicago or New York - but also because these three series never really leave the urban setting.

The Future of the Shadow Police - Paul Cornell

This Shadow Police series is more somber than the Rivers of London series. The plot and writing are good, although none of the characters drew me in as likable - so the book was experienced at "arms length" so to speak. I probably won't buy book two, unless in the future I am in the mood for a dark and depressing story. 4 people found this helpful
