Lost In Transition Hong Kong

Don't let this title's allusion to Sofia Coppola's twee *Lost in Translation* (2003) give you the impression that Yiu-Wai Chu (Zhu Yaowei)'s *Lost in Transition* is some sort of precious po-mo poseur. Instead, it is a heartfelt, even white-hot examination of Hong Kong culture since the territory's handover to the Mainland in 1997.

Lost in Transition: Hong Kong Culture in the Age of China ...

Interest in Hong Kong is rising again. This partly reflects the installation of a new chief executive in Hong Kong completely different in character to the first two, and this has been accompanied by the rise to power of a new regime in Beijing: a regime, it seems, with a new and distinctive ideological mission.

Lost in Transition: Hong Kong Culture in the Age of China ...

Chu argues that Hong Kong's culture was "lost in transition" when it tried to affirm its international visibility and retain the status quo after 1997. In an era when China welcomed outsiders and became the world's most rapidly developing economy, Hong Kong's special position as a capitalist outpost was no longer a privilege.

For Hong Kong, such a transition is perhaps most well-put in its stories of translation. Every part of our city will be able to show you how it straddles two languages, as well as the way it bridges two significantly different cultures. Over the course of a hundred years, the topic of change still lingers in Hong Kong.
