recognized Jeanne Dobie as one of the "20 Great Teachers", and again with an "Artist-To-Artist" interview, 2008, for pioneering her fresh color/design approaches.

JeanneDobie.com - Jeanne Dobie, watercolorist and author ...

The teacher of my watercolor painting class recommended "Making Color Sing" and led the beginning painters in the class in an exercise from the book and that's all it took--I had to read the book. After borrowing it from my library, I bought a copy so that I can work my way through it instead of rushing to get it back to the library.

other reviewers. It teaches you not only palette selection as most other books but goes deeper into techniques such as glazing which is important for a transparent medium like water color. I am sure this book would also be very valuable for acrylic painters who often attempt water-color effects with acrylics. I learnt a lot about ...
