### **Making Sense of the Constitution by Walter M Frank ...**

In Making Sense of the Constitution: A Primer on the Supreme Court and Its Struggle to Apply Our Fundamental Law, Walter Frank tackles in a comprehensive but lively manner subjects rarely treated in one volume. Aiming at both the general reader and students of political science, law, or history, Frank begins with a brief discussion of the nature of constitutional law and why the Court divides so closely on many issues.

The Constitution provides the HoF the broad power of interpreting the constitution. Constitution is interpreted in the course of resolving constitutional disputes but also when offering advice to a party that is seeking constitutional guidance. That is also what the drafters of the constitution had in mind.

## **We Hear You: Making Sense of the Election Results**

Written constitutions are not only likely to give rise to greater problems of interpretation than unwritten ones, but they are also harder to change. Unwritten constitutions tend to change gradually, continually, and often imperceptibly, in response to changing needs. But when a constitution lays down exact procedures for the election of the president, for relations between the executive and legislative branches, or for defining whether a particular governmental function is to be performed ...

Making Sense of the Impeachment Charges. Paul Craig Roberts. Prior to the impeachment of Trump, not by Congress as presstitutes report but by self-interested House Democrats, during the entirety of US history there have been only two attempts to impeach a president—Andrew Johnson in 1868 and 130 years later Bill Clinton in 1998.
