In looking at this, I wanted to make art that reflected the importance of connected. I have always loved stained glass and thought that this process is all about the way smaller pieces relate to form a larger artwork. I then created a mosaic stained glass box (photo 5) from various pieces of glass, mirror as well as some beach glass I had found.

Stained Glass Box : 8 Steps - Instructables

Functional Stained Glass. I love functional art and prefer to build stained glass pieces that serve a purpose, like boxes. Building a stained glass box can be as complicated or as simple as you want to make it. Clearly, the more pieces you use to make the four sides of the box, the more difficult it will be to build.
