A Wrinkle in Time - Wikipedia

Many Waters is a 1986 novel by Madeleine L'Engle, part of the author's Time Quintet. The title is taken from the Song of Solomon 8:7: "Many waters cannot quench love, neither can the floods drown it. If a man were to give all his wealth for love, it would be utterly scorned." The principal characters of the story are Sandy and Dennys Murry, twin brothers who are somewhat out of place in the context of the multifarious and eccentric Murry family from A Wrinkle in Time. The action of the story fol

Sandy and Dennys, twins and middle children in the Newbery-winning A Wrinkle in Time, are transported to the time just before the Flood. With a Finn grounding in Genesis, this is the kind of intricate tale with complex characters and relationships that L'Engle's readers have come to expect. Her ancient world of desert and oasis are stark in their simplicity, yet the evils precipitating the ...
