Migraine (book) - Wikipedia

Conclusion Oliver Sacks gave wonderful descriptions of migraine auras, but hardly any of migraine headache. Furthermore, he described rare auras such as 'amusia' and olfactory auras. Overall, this makes his descriptions of migraine not very useful to serve as medical information for laypersons. Oliver Sacks, however, wrote great literature. PMID:

Oliver Sacks and migraine.

Oliver Sacks in general is a goldmine to anyone even remotely interested in how the brain works. This is probably his least accessible book, but very educational for both migraine patients and those around them.
