Modern warfare is warfare that is in notable contrast with previous military concepts, methods, and technology, emphasizing how combatants must modernize to preserve their battle worthiness. As such, it is an evolving subject, seen differently in different times and places. In its narrowest sense, it is merely a synonym for contemporary warfare. In its widest sense, it includes all warfare since the "gunpowder revolution" that marks the start of early modern warfare, but other landmark military

Spanish Tercios The Spanish tercios ("third"), a military formation composed of pikemen, swordsmen, and harquebusiers (musketeers) of 3,000 troops, was a formidable force in early modern European warfare. This infantry formation developed in the Italian Wars (1494-1559) as a response to counter cavalry forces. Pikemen, a Swiss development in infantry, staved off cavalry forces with...
