Crack the Millennial Code: Strategies to Market to Millennials, is the first book in a three-part series created to help you harness the power of the largest and most influential generation — Millennials. In it, you'll find strategies showing you how to create engagement with the most significant generation of consumers in American history.

**Crack the Millennial Code: Strategies to Market to ...**

Younger workers born from 1980 to 2000 are the largest population in the United States, and they make up a huge portion of the workforce. But all too often, older workers view millennials as entitled or unmotivated. Javier Montes puts those notions to rest in this guide to leveraging the talents of millennials to achieve business objectives.
