Angel is one of the best commercial painters and he wants to share his years of experience with everyone. In 2015, Angel published his first book (by self-financing): "Painting Miniatures from A to Z Angel Giraldez Masterclass Volume 1", which has sold 15.500 copies in a few months, breaking sales records, making history.

About me

My personal issue is knowing when to use each technique and how to accomplish certain looks. Like I said before, I haven't gone through the masterclass, but it'd be nice if he'd go through how to do different faces (including different skin tones), different fabrics, etc. More of an encyclopedia of technique than a model by model analysis.

Painting miniatures from A to Z, Ángel Giráldez Masterclass

Angel giraldez. This volume explains new techniques and tips through hundreds of pictures of the painting process, which will help painters to continually improve their miniature painting skills. The masterclasses section includes tutorial guides about how to paint all the different infinity armies, in addition to detailing which colors angel used to paint the official infinity color patterns.
