### MPLS + SDN + NFV World Congress Paris 2021

The organizers of MPLS + SDN + NFV World Congress have gone out of their way to prevent the Conference from becoming a pretext for simply promoting branded products and services. With this in mind, a scientific committee will select the most appropriate and interesting proposals submitted from the call for papers.

### MPLS + SDN + NFV World Congress Paris 2021

at Upperside's MPLS + SDN + NFV World Congress, this year's event has turned out to be special in multiple ways. Most importantly, the novel Coronavirus (COVID-19) has not managed to stop the hot staging. For two weeks in early March, more than 100 attendees from 16 vendors teamed up to validate the interoperability and

### Multi-Vendor Interoperability Test 2020

Paris, April 9-12, 2019. The European Advanced Networking Test Center and Upperside Conferences invited all interested vendors to join our public multi-vendor interoperability test and showcase at the MPLS + SDN + NFV World Congress 2019. The conference was the meeting point for everybody in the networking industry, bringing together +1,600 experts from all over the world.

### EANTC: Intro

Since we started the EANTC multi-vendor interoperability tests in Paris in 2003, Upperside's MPLS + SDN + NFV World Congress has taken place within weeks of the Mobile World Congress in Barcelona. 15 years ago, these two conferences were very different. Mobile operators did not care much about the fixed network aspects (and vice versa).
