To this extent, the first section of the freely downloadable workbook is broken into topic and grade-level areas. We hope this will be useful for both teachers and tutors in working with their learners. The second section contains two full mock NBT MAT papers to provide learners with an idea of the kind of questions asked in these tests.

NBT - National Benchmark Test Project

The National Benchmark Tests (NBT) measure your academic readiness for University. Some South African universities use the NBTs in addition to the National Senior Certificate (NSC) for access to higher education, while others use the tests to determine the kind of learning support a student will need during their studies.

What to expect | National Benchmark Test Project

Writing of the NBT is reserved for applicants to higher education institutions in South Africa. Teachers are not permitted to write the NBT with a view to preparing their learners for the tests. "Teaching to the test" limits real engagement with the topics that are being assessed.
