are directed at students interested in attempting to predict the behavior of people working in organizations. Organizational functioning is complex.

Organizational Behavior and Management 11th Edition

Known throughout the world for sound pedagogy, research, and theory and well-loved for a rich framework of personal and organizational skills, Organizational Behavior presents students with a full portfolio of skills that will enable them to thrive in whatever area of business they eventually choose. The authors' new Eleventh Edition places emphases on ethics, leadership, and sustainability—with the same organization, content, and cohesive voice that guides students in the right direction.

because it consistently integrates the most current, cutting edge topics and educational best-practices from management practice and research. There is a special emphasis on students taking research-based self-assessments, and then connecting the results of those self-assessments to skill building modules in the text (thereby pulling the student in an engaging way into the textbook content).

Organizational Behavior, 11th Edition - Pearson
