This is a most valuable publication. In addition to the text of the first edition (1859) of the Origin with all the freshness and directness of the original, now here made available in facsimile, Professor Ernst Mayr of Harvard, a most distinguished writer in this field, has prefaced this reprint with an introduction that is in itself a classic.

On the Origin of Species A Facsimile of the First Edition ...

Clearly this facsimile reprint of the momentous first edition fills a need for scholars and general readers alike. Ernst Mayr 's Introduction has a threefold purpose: to list passages in the first edition that Darwin altered in later editions; to point out instances in which Darwin was clearly pioneering; and to call attention to neglected passages that show Darwin as a much deeper thinker than has been recognized.

The effect was immediate, the first edition being sold out on the day of publication (24 November 1859); a second printing was issued a month later (28 December). In its first year the work sold 3,800 copies, and in Darwin's lifetime the British... Read Online.

On the Origin of Species: A Facsimile of the First Edition ...

ON THE ORIGIN OF SPECIES. OR THE PRESERVATION OF FAVOURED RACES IN THE STRUGGLE FOR LIFE. By Charles Darwin, M.A., Fellow Of The Royal, Geological, Linnaean, Etc., Societies; Author Of 'Journal Of Researches During H.M.S. Beagle's Voyage Round The World.' From the First Edition LONDON: JOHN MURRAY, ALBEMARLE STREET. 1859.

On the Origin of Species, 1st Edition by Charles Darwin

The inside may be a "Facsimile of the First Edition" (the text looks like a photocopy of the original pressing), but the binding is cheap and shiny, like a textbook (with no dust jacket). And the spine of the book actually has "On the Origin of Species: A Facsimile of the First Edition" printed on it - not exactly a handsome addition to the book shelf.

Amazon.com: Customer reviews: On the Origin of Species: A ...

Many scientist may say Darwin's-Origin of Species. This fascimilie of the 1st edition which is full of elegent prose and vivid descriptions and analogies while later editions are less decisive and espouse more questions than answers is the edition to read. Which is a dated romantic language.
