### Oxford Book of Garden Flowers: Nicholson, Barbara E ...

Each spread is gorgeous -- on the left side of the spread is text with basic cultural and historical information about each plant/flower that is pictured on the right page, which is filled with artistically but accurate and colorful illustrations of the flowers in question. It's a lovely book to sit down and look through, and I think it will serve our purpose perfectly -- it has just the right amount of depth and breadth and seems to cover all the basic categories of flowers.
