Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Keep in mind that your abilities depend heavily on your build decisions, and this guide will only make a rough estimate of what should work. Str: Essential for any ranger build, including archery Rangers, though archer builds will need less than melee builds. Dex: Essential for any ranger build, though archery Rangers will need considerably more. Even if you plan to use Two-Weapon Fighting, the Ranger gets to take bonus feats without meeting their pre-requisites, so you only need enough ...

Guide does give up a bit of Ranger's stealthiness, but you should be able to get by just fine with decent dexterity and ranks in Stealth. Since you don't get Sneak Attack, Hide in Plain Sight is far less important. Ranger's Focus (Ex): Ranger's Focus is more versatile than Favored Enemy, and you can apply it to anything you fight. The bonus scales less quickly than Favored Enemy, but the simple utility of using it on anything is really fantastic.

Some rangers devote their lives to the woods, becoming hunters, protectors, and wilderness guides among its diverse terrain types. The deep walker is instead a master of the strange terrain of the deep earth, exploring its caverns and caves, becoming a master of the dark corridors most surface dwellers fear to explore—and perhaps the reason they fear to explore them.
